3 Days / 2 Nights

Ol Doinyo Lengai Climb & Lake Natron Trek

Duration: 3 Days / 2 Nights

Type: Private Safari

Main Focus: Adventure

Country: Tanzania

Professionalism, great experience and passion for nature: our team is composed of highly trained tour guides to make your dream come true with qualified services offered. This alkali lake is the world's only breeding ground for 1.5 million lesser flamingos. Here you will be able to see millions of flamingos, learn about the environment, hot springs, sundowners, and waterfalls, and also climb Mt Oldonyolengai, an active volcanic mountain – also called "Mountain of God" in the Maasai language.

DAY-BY-DAY ITINERARY

Day 1: Arusha to Lake Natron

After an early breakfast, you will be picked up by your professional tour guide/driver in Arusha town, ready to begin your two-day adventure. It takes a 4-hour drive from Arusha to the famous alkaline Lake Natron. You will pass through a rough road through scenic landscapes to Oldonyo Lengai Mountain.

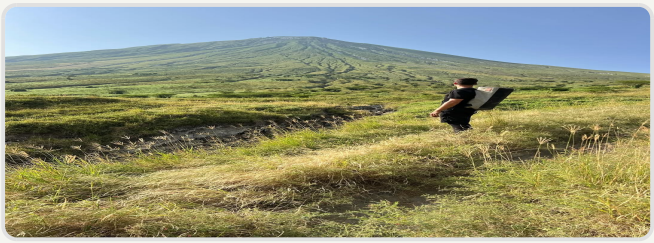

This lake is the world's only breeding ground for more than 1.5 million lesser flamingos. You will watch the flamingos and learn about the surrounding environment, while the main activity of the day is the Engaresero waterfalls tour. Before evening, you will head to your accommodation for dinner and overnight.
